

GUIDELINES FOR ABSTRACT SUBMISSION

1. Any delegate may submit abstract/s of his or her work for presentation during the 2nd InaSHG Conference. Abstracts should include original data that has not been previously published in a peer-reviewed journal.
2. Only those abstracts that have been reviewed and selected by the Abstract Review Committee may be presented. Only electronically submitted abstracts will be accepted.
3. The abstract submission deadline is August 23, 2021.
4. All abstracts must be submitted online through website: inashg-fkugj.id. Abstracts sent by fax or post will not be accepted.
5. All abstracts must be prepared in English.
6. The text should not exceed 200 words. Abstracts that exceed this word limit will be rejected.
7. Abstracts must describe clearly the purpose and results of the research and should contain the following:
 - a. Title: all words to identify the subject matter of the study
 - b. Objectives: purpose of the study or hypothesis tested
 - c. Methods: setting for the study, subjects and type of statistical analysis
 - d. Results: outcome of the study and statistical significance
 - e. Conclusion: significance of the results
8. Table and pictures cannot be included in the abstract.
9. Nonstandard abbreviations are not allowed in abstract titles. Abbreviations may be used in the body of an abstract if they are defined at their first mention in the text.
10. The accuracy of the submitted abstract is the responsibility of the authors. Errors made on submitted abstract are likely to appear in print. Authors should prepare and proofread their abstracts carefully prior to submission. The Abstract Review Committee will not proof-read or correct spelling, typographical, grammatical, or scientific errors, nor can changes be made once the abstract has been submitted.
